Forecast for Thursday 07 Sep 2023

Weather: Any low cloud across the Trossachs will soon clear this morning, the rest of the day will be largely dry but there will be a fair amount of high cloud around at times. Small chance of a few passing showers or thunderstorm developing in the afternoon and evening. A very warm day.

Chance of cloud-free hill tops above 800m: 90%

Low Cloud and visibility: Poor visibility in areas of low cloud down to 200 metres at first across the Trossachs, this quickly dispersing. Then the rest of the day will see good visibility with cloud above the summits. Visibility briefly dropping in any showers later.
